SECOND REQUEST TO CORRECT PTO ENTITY STATUS ERROR

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Honorable Commissioner:

This is the second Request to correct the entity status designation of the above-referenced patent, issued April 14, 2009. A first Request to correct the entity status designation of the above-referenced patent was filed with the Payment of the Large Entity Issue Fee on February 24, 2009. Applicant no longer claimed small entity status and paid the amount of \$1,510 for a large entity.

In error and inadvertently, through the U.S. Patent and Trademark Office (PTO) Maintenance Fee Payment Window, the current 3.5 year Maintenance Fee for the above-referenced patent, was paid in the small entity amount of \$565.00 on April 17, 2012, due to the fact that the PTO still had not corrected the entity status designation of the above-referenced patent from small to large. Therefore, the PTO is again requested to correct its

records to show large entity status for the subject patent and is authorized to charge the difference between \$565.00 small entity and \$1,130.00 large entity fee in the amount of \$565.00, or any fees necessary to maintain this patent in force, to deposit Account No. 50-2929, making reference to Attorney Docket No. P65329.

The PTO is invited to direct any questions to the undersigned practitioners at the contact address identified below.

Respectfully submitted,
Jerome D. JOHNSON et al.
